

CHRIS CHOI

Full-Stack Developer in Chicago, Illinois

I am a software developer with a diverse background in sports science. I am passionate in creating immersive user experiences and optimizing backend processes for enhanced product efficiency. I thrive on collaborative teamwork, leveraging my extensive experience in multidisciplinary collaboration. Continuous learning and problem-solving are my strong suits. I stay up-to-date with industry trends through tech blogs and networking, ensuring exceptional results.

Professional Experience

Unimersion | Front-End Developer | JUN 2023 – Present

- Developed a feature-rich mobile application (Explorado) using React Native, leveraging its cross-platform capabilities to deliver a seamless user experience across iOS and Android platforms
- Actively participated in the agile work process using the Scrum framework, promoting effective collaboration, transparency, and adaptability within the development team
- Utilized React Native’s extensive library ecosystem to integrate various functionalities such as push notifications, geolocation services, camera access, and third-party API integrations
- Integrated Firebase’s authentication services, such as email/password authentication, social login (Google, Apple, Facebook), and phone number verification, offering users multiple convenient and secure authentication options

General Assembly | Software Engineering Immersive Fellow |

MAR 2023 – JUN 2023

- Employed MERN-stack for dynamic front-end layouts and back-end functionality
- Enabled secure visitor authentication with OAuth and personalized data access
- Built a Python-based full-stack application using Django and PostgreSQL
- Implemented full-CRUD operations for efficient data management across RESTful routes
- Implemented secure authorization through the “login_required” decorator for management operations

StretchLab | Lead Stretch Therapist | SEP 2021 – NOV 2022

- Provided assisted stretch services, improving injury prevention, rehabilitation, health, and performance.
- Trained and supervised new employees.
- Participated in team brainstorming sessions, reporting progress and suggesting improvements.

Northbrook Speed Skating | Head Coach | APR 2017 – OCT 2021

- Developed training curriculum and led team practices for nationally ranked skaters, contributing to their success.
- Transformed the team from a recreational level to a national-level powerhouse, achieving a seventh-ranking in the United States.

Life Time Athletics | Trainer & Group Fitness Instructor |

FEB 2019 – MAR 2020

- Delivered personalized 1:1 consultations and designed tailored training regimens for individuals.
- Led engaging group fitness classes and organized club-wide events, fostering a sense of community and promoting a healthy lifestyle.
